

## Advanced Input Signal 4-20mA Security Monitor System for LPG Gas Leak Control Panel

### Our Product Introduction

for more products please visit us on [multi-gasdetection.com](http://multi-gasdetection.com)

#### Basic Information

- Minimum Order Quantity: 1PC
- Stock: 1PC

#### Product Specification

- Model NO.: K1000-8
- Interface: RS485 Communication
- Electric Control Device: Solid Relay Output
- Input Signal: 4-20mA
- Voltage: 220V AC/50-60Hz
- Display: LED
- Power Supply For Detector: 24V DC
- Waranty: 1 Year
- Transport Package: Carton
- Specification: 3.0kg
- Trademark: KELISAIKE
- Origin: Nanjing, China
- HS Code: 8531100000
- Supply Ability: 100PCS Per Month
- Brand: Kelisaike

### Product Description

#### Security Monitor System LPG Gas Leak Control Panel

#### >>>Key Features

1. Advanced MPU technology
2. Multi-channels capacity of system: 4,8 and 16channels are available
3. Work in patrol type
4. 2 or 3 BUS signal outputs, Can provide 24V power for the transmitter
5. Multi-channels real-time concentration display circularly and show real-time data(around 1-2 seconds show one channel)
6. Bright LED display
7. Receive any transmitter output signal of 4-20mA
8. RS485 Industrial field BUS
9. Programmable alarm operation value, low or high level alarm indication.
10. Responses time less than 2 seconds
11. Backup power supply: over 2 hours
12. Output Power: DC 24V/2.5A (Can provide power for many transmitters)

#### >>>Technical Specifications

<b>Working Method:</b>	Automatic Patrol
<b>Alarm Level:</b>	two levels' alarm. Users can set it.
<b>Input signal:</b>	4-20mA
<b>Measurement Accuracy:</b>	0.1%(F.S)
<b>Stability:</b>	<b>Zero drift:</b> $\leq \pm 2\%$ (F.S)/6h
	<b>Span drift:</b> $\leq \pm 5\%$ (F.S)/6h
<b>Communication Interface:</b>	RS485
<b>Working Voltage:</b>	AC 220V/50-60Hz
<b>Capacity of System:</b>	4, 8 or 16 Channels
<b>Display Method:</b>	Multi-passage concentration real-time display
<b>Display Error:</b>	<0.5%
<b>Ambient Humidity:</b>	10%-90% RH (non-condensing)
<b>Ambient Temperature:</b>	0-70°C
<b>Weight:</b>	3.0kgs

#### >>>Our Services

1. For all our products, we offer a 1 year warranty and life-long maintenance.
2. All inquiries will be replied in 24 hours.
3. We will provide technical support; our engineers will help to solve the problems you met.
4. We can provide OEM and ODM service.
5. Our factory is located in Nanjing city. Welcome to visit our factory.
6. All products will be fully checked and well packed before shipment, and qualification certificate will be provided.

### >>>Calibration

For the calibration of KELISAIKE products, please feel free to contact us for help.

### >>>Why choose KELISAIKE?

1. Mutual benefit : We have our own factory .So compared with other competitors ,the price will be more favorable in the same quality..
2. Professional engineers: We have 3 engineers who have experience more than 10 years and more than 5 engineer assistants works on the gas detection line, with Hi-Tech equipments .We offer more accurate and stable products.
3. Customize : We have strong R&D team that can custom product as your request.
4. Free OEM service : (a) Silk-printing your Logo( $\geq 100$ PCS). (b) Design your color box( $\geq 500$ PCS).
5. Mix order : We accept mix order, different model and small quantity order.
6. After service:(a) 1 Year warranty. (b) If you found any inferior-quality products from us, we will send new ones to replace for free in your next order after confirmed.

### >>>FAQ

#### **Q: Are you a manufacturer?**

A: Sure. We are the professional safety equipment manufacturer and have the experience of produce and market over 12 years in this field.

#### **Q: Are you provide customization?**

A: Of course. It includes gas type, gas detection range, gas alarm point etc. Please contact us about the detailed specifications.

#### **Q: Could I order one piece sample for the quality test? And do you charge for the samples?**

A: Sure. We recommend to check the sample before order.

According to our company policy, we just charge the samples based on EXW price.

#### **Q: If I order big quantity, what's the good price?**

A: Please send the details enquiry to us, such as the Item Number, Quantity for each item, Quality request, Logo, Payment Terms, Transport method, Discharge place etc. We will make the accurate quotation to you as soon as possible.

#### **Q:How about the Delivery time?**

A: Samples will be prepared within 15 Days after 100% T/T in advance payment. QTY order will be delivered in 30 days.

#### **Q:What kind of payments does KELISAIKE support?**

A: T/T, L/C, Western Union, Cash all are accepted.

#### **Q:What's the MOQ?**

A:The MOQ is 1 PC. Please never mind the quantity.

### >>>Company Profile

Nanjing Kelisaike Safety Equipment Co., Ltd., with our headquarters located in Nanjing, is one of the most professional gas detector manufacturers in China. Established in 2004, we have always been engaged in researching, developing and bringing people advanced equipment with good quality. Through 10 years' efforts, our company has successfully grown into a powerful enterprise with advanced technology, modern equipment, solid finance and talents. So far, we have three subsidiaries in Beijing, Xi'an and Xinjiang. Our company has established business relationships with many renowned enterprises in China. Kelisaike has put much emphasis on developing new technology and new products with intellectual property and patents. Our full product portfolio includes: K60 series portable gas detector, K800 series fixed gas detector transmitter, K500 series wall-mounted gas detector, K1000 series gas detector controller, K-1Ax gas detecting control system, KL99 positive pressure air breathing apparatus, etc.

Nanjing Kelisaike has passed ISO9001 International Quality System Certification, which ensures all products have excellent

performance and competitive prices.

**KELISAIKE Faith**

People-oriented and technology-innovated

**KELISAIKE Principle**

Quality first, integrity-based

**Nanjing Kelisaike Safety Equipment Co., Ltd.**
