

## LED Display Multi Channels Gas Detector Controller For 220V AC 60Hz Customized

### Our Product Introduction

#### Basic Information

- Place of Origin: Jiangsu, China
- Brand Name: KELISAIKE
- Model Number: K1000-8
- Minimum Order Quantity: 1PC
- Price: \$475.00/pieces 1-9 pieces
- Stock: 1PC

#### Product Specification

- Use: Safety Alarm System
- Detector Connection Type: Combustible, Toxic And Oxygen Detectors
- Supportable: 8 Detectors / Probes
- Output Signal / Interface: RS485 Communication
- Extra Electric Control Device: Relay Output
- Input Signal: 4-20mA
- Voltage: 220V AC/50-60Hz(customized)
- Display: LED
- Power Supply For Detector: 24V DC
- Accuracy: 0.1%(F.S)
- Warranty: 1 Year
- Highlight: LED Display Gas Detector Controller, 220V Gas Detector Controller, 60Hz Gas Detector Panel

### Product Description

#### Product Application

K1000-16 gas control panel is a multi channels style, used to detect the concentration of the test gas in the air, can connect with a plurality of detectors for different gas components, and centralized control of multi-point at the same time. System use a microprocessor as control unit, high-precision sensor as detection transmitter. When the concentration of test gas in the environment reaches or exceeds the preset alarm value, the control panel send audible alarm immediately, alert us take safety measures, and start the actuator to drive the exhaust control devices or other peripherals, prevent poisoning, explosion and fire, to protect life, property and production safety.

### Main Features

- 1) Advanced MPU technology
- 2) Max. capacity of system: 16 channels
- 3) Work in patrol type
- 4) 2 or 3 BUS signal outputs, Can provide 24V power for the transmitter
- 5) 8 channels real-time concentration display circularly and show real-time data(around 1-2 seconds show one channel)
- 6) Bright LCD display
- 7) Receive any transmitter output signal of 4-20mA
- 8) RS485 Industrial field BUS
- 9) Programmable alarm operation value, low or high level alarm indication.
- 10) Response time less than 2 seconds

### Technical Parameters

#### Specifications for K1000-8 gas control panel

Alarm Level	Two levels' alarm. Users can set it.	
Input signal	4-20mA	
Measurement Accuracy	0.1%(F.S)	
Stability	Zero drift	$\leq \pm 2\%$ (F.S)/6h
	Span drift	$\leq \pm 5\%$ (F.S)/6h

## Communication Interface

RS485

Working Voltage

AC 220V/50-60Hz (customized)

Display Error

<0.5%

Ambient Humidity

10%-90% RH (non-condensing)

Ambient Temperature

0-70°C

Weight

Around 8kg

## Certifications

## Detailed Images

## Packing & Delivery

### Packaging

Quantity	1pc in one carton box
Weight	Around 8kg
Delivery	By DHL, Fedex, TNT, UPS, etc

## Our Service

- 1) For all our customers, our products have 1 year warranty, and life-long maintenance.
- 2) All inquiries will be replied in 24 hours.
- 3) We will provide technical support, our engineers will help to solve the problems you met.
- 4) We can provide OEM and ODM service.
- 5) Our factory is locating in Nanjing city, welcome to visit our factory.
- 6) All products will be well checked and well packed before shipment, and qualification certificate will be provided.

### Why choose KELISAIKE?

1. Mutual benefit : We are a factory, our price will be cheaper in the same quality.
2. Professional engineers: We have 3 engineers who have more than 10 years' experience and over 5 engineer assistants in gas detection line, with Hi-Tech equipments, we make more accurate and stable products.
3. Customize : We have strong R&D team, can custom product as your request.

4. Free OEM service : (a) Silk-printing your Logo( $\geq$ 50PCS). (b) Design your color ( $\geq$ 50PCS).
5. Mix order : We accept mix order, different model and small quantity order.
6. After service: (a) 1 Year warranty. (b) If you found any inferior-quality products from us, we will send new ones to replace for free in your next order after confirmed.

Q: Can I order one piece for sample to test the quality?

A: Yes, We recommend to check the sample before order.

Q: May I have your catalogue and price list for trial order in MOQ quantity?

A: All our products were shown on alibaba, please have a detailed looking and choose the interested models in our site. Or you can send email to us.

Q: If I order big quantity, what's the good price?

A: Please send the details enquiry to us, such as the Item Number, Quantity for each item, Quality request, Logo, Payment Terms, Transport method, Discharge place etc. We will make the accurate quotation to you as soon as possible.
