

## 4-Hour Runtime Powered Air Purifying Respirator Breathing Apparatus KL99-PapR

Our Product Introduction

for more products please visit us on multi-gasdetection.com

### Basic Information

- Minimum Order Quantity: 2 Set (MOQ)
- Price: US\$270.00
- Shipping Method: LCL, AIR, FCL, Express, Negotiation
- Payment Terms: T/T, Western Union, MoneyGram, Paypal

### Product Specification

- Model NO.: KL99
- Customization: Available
- Battery: 12V/3400mAh Chargeable Li-ion Battery
- Working Hours At Full Power: >4 Hours
- Charging Cycle Times: 200 Times
- Air Output Gear: 145L/Min
- Alarm: Automatic Detection And Warning O
- Acoustic Sound Level: <50dB
- Specification: 60\*45\*20
- Weight: <850g
- Highlight: **Breathing Protection Respirator,  
Breathing Protection Powered Air Purifying  
Respirator  
, Breathing Protection Air Purifying Respirator**

## Product Description

### PAPR Powered Air Purifying Respirator

The KL99-PAPR is a battery-powered fan that together with a filter and an approved head top, is included in the fan-assisted respiratory protective device systems. This applies particularly to work that is hard, warm or of long duration. The human interface may consist of a hood, face shield, half mask or full face mask. The fan is equipped with a filter, and the filtered air is fed through a hose to the human interface. The pressure then generated prevents surrounding pollutants from penetrating into the mask. Power blower unit provides filtered air for the widest range of industrial applications as diverse as industrial welding, agriculture and waste disposal.

#### >>>Key Feature:

This device can provide clean and filtered air to ensure the safety of breathing. While the user is breathing in air, there is no need for them to overcome the resistance of the air. Given that adults require approximately 50 liters of air per minute, the respirator supplies an excessive amount of air to ensure positive pressure within the mask, thereby providing high-level protection for the user.

When the battery is fully charged, it can ensure continuous operation for approximately 5 hours. The respirator is equipped with an internal alarm system. When the filter becomes clogged or the battery runs out, resulting in a reduction in air supply, the alarm can be triggered.

#### >>>Technical Parameter:

Battery	12V/3400mAh chargeable Li-ion Battery
Working hours at full power	>4 hours
Charging Cycle Times	>200 times
Charging Cycle Times	>200 times
Air output gear	145L/min
Acoustic sound level	<50dB
Size	185(length) x 162(width) x 101(height)
Weight	<850g
Filter	With three replaceable filters
Green LED power indicator	

Fast lock and unlock structure

Automatic detection and warning of low voltage

Normal use after 7J energy shock

Heat-resistant and cold-resistant

It can be normally used after being stored under the concentration of 5000ppm hydrogen tetroxide steam for five hours

### >>>Company Information:

#### COMPANY APPEARANCE

#### THE OFFICE MEETING

#### WORKSHOP INSTRUMENT

Nanjing Kelisaike Safety Equipment Co., Ltd. founded in 2004, Nanjing Kelisaike has three subsidiaries in Beijing, Xi'an and Xinjiang province, and over 30 domestic sales service centers. Standard products include the K60 series portable single gas detectors, K60-IV series multi gas detectors, K800 series fixed gas transmitters, K500 series wall-mounted gas detectors, K1000 series gas detector control panel units, KL99 series air breathing apparatuses, etc. Nanjing Kelisaike is also a factory with rich experience in OEM service, providing professional design and manufacturing of customized products.

### >>>Our Advantages:

### >>>Related Certificates:

### >>>Workshop:

### THE WORKSHOP

Nanjing KELISAIKE has passed ISO9001 International Quality System Certification, which ensures all products' excellent performance and competitive prices.

### >>>Our Exhibition:

### >>> Our Services

1. For all our customers, our products have 1 year warranty, and life-long maintenance.
2. All inquiries will be replied in 24 hours.
3. Providing technical support, professional engineers are specialized in dealing with gas monitoring problems you met.
4. OEM and ODM service are welcome.
5. KELISAIKE plant is located in Nanjing, only 1 hour by high speedtrain from Shanghai. Welcome to visit the factory.
6. All products are well tested and packed before shipment; the certificate of inspection will be provided.

### >>> Why choose KELISAIKE:

1. Mutual benefit : We are a factory. The price is much more competitive than others in the same quality.
2. Professional engineers: With 20+years history, KELISAIKE has a professional engineering team: 4 engineers who have more than 20 years' experience and over 5 engineer assistants in gas detection line, with Hi-Tech manufacturing equipments, we make more accurate and stable products.
3. Customize : We have strong R&D team, the custom product as your request are available.
4. Free OEM service : (a) Silk-printing your Logo( $\geq 100$ PCS). (b) Design your color box( $\geq 500$ PCS).
5. Mix order : We accept mix order, different model and small quantity order.
6. After service: (a) 1 Year warranty. (b) If there's any inferior-quality products are found, new ones could be sent to replace at freecost in the next order after confirmation.

### >>> FAQ

#### **Q: Are you provide customization?**

A: Of course. It includes gas type, gas detection range, gas alarm point etc. Please contact us about the detailed specifications.

#### **Q: Could I order one piece sample for the quality test? And do you charge for the samples?**

A: Sure. We recommend to check the sample before order.  
According to our company policy, we just charge the samples based on EXW price.

#### **Q: If I order big quantity, what's the good price?**

A: Please send the details enquiry to us, such as the Item Number, Quantity for each item, Quality request, Logo, Payment Terms, Transport method, Discharge place etc. We will make the accurate quotation to you as soon as possible.

#### **Q: How about the Delivery time?**

A: Samples will be prepared within 15 Days after 100% T/T in advance payment. QTY order will be delivered in

30 days.

**Q: May I have your catalogue and price list for trial order in MOQ quantity?**

A: All our products were shown on Made in China, please have a detailed looking and choose the interested models in our site. Or you can send email to us.
