

QRAE 3 Portable Four Gas Monitor with Pump | Honeywell RAE | O2 LEL H2S CO Toxic Gas Detector

Our Product Introduction

for more products please visit us on multi-gasdetection.com

Basic Information

- Minimum Order Quantity: 1PC
- Price: \$665.00/sets >=1 sets
- Stock: 1PC
- Description: Honeywell QRAE 3 detects oxygen, combustibles, and toxic gases. Designed for workers in hazardous areas.

Product Specification

- Warranty: 1 Year
- Type: Gas Sensor
- Customized Support: OEM
- Gas Type: O2 0-25%VOL
- Principle: ELECTROCHEMICAL
- CE Standard: EN/IEC 60079-0 Impact Test
- HS Code: 9027100090
- Packaging Details: Carton
- Weight: 0.3g
- Output Signal: 0.10 ± 0.02 MA In Air
- Response Time (T90): <15 Seconds
- Operating Temperature Range: -20°C To +50°C
- Port: FOB Nanjing / FOB Shanghai
- Highlight: **Honeywell RAE portable gas detector,**

Honeywell RAE Systems QRAE 3 Multi-Gas Detector

The **Honeywell RAE Systems QRAE 3 Multi-Gas Detector** is a versatile, rugged, one- to four-sensor pumped or diffusion gas monitor that provides continuous exposure monitoring of oxygen (O₂), combustibles, and toxic gases, including hydrogen sulfide (H₂S), carbon monoxide (CO), sulfur dioxide (SO₂) and hydrogen cyanide (HCN) for workers and responders in hazardous environments.

The QRAE 3's wireless communications capability enables access to real-time instrument readings and alarm status (including man-down alarm) from any location for better visibility and faster response. Real-time hazard readings can also be communicated to the ProRAE Guardian Safety System and the EchoView Host Mini-Controller Closed-Loop Wireless System for safety-enhancing wireless monitoring.

Features and Benefits:

- Real-time gas detector readings and alarm status enabled by state-of-the-art wireless technology
- Unmistakable five-way local and remote wireless notification of alarm conditions
- Intuitive simple-to-operate two-button user interface
- Strong, protective, concussion-proof design
- IP-65/67 water- and dust-resistant case

Application:

- CBRNE
- Clandestine Labs
- Confined Space Entry
- Emergency Response
- Environmental Cleanups/ Remediation
- Exploration
- Fire Overhaul
- Leak Detection
- Plant Shutdown & Turn-Around
- Residential Calls
- Urban Search & Rescue
- Worker Exposure

Diffusion: 5.5
Pumped: 5.7

INSTRUMENT

- Nanjing Kelisaik Safety Equipment Co., Ltd. founded in 2004, Nanjing Kelisaik has three subsidiaries in Beijing, Xi'an and Xinjiang province, and over 30 domestic sales service centers.
- Standard products include the K60 series portable single gas detectors, K60-IV series multi gas detectors, K800 series fixed gas transmitters, K500 series wall-mounted gas detectors, K1000 series gas detector control panel units, KL99 series air breathing apparatuses, etc.
- Nanjing Kelisaik is also a factory with rich experience in OEM service, providing professional design and manufacturing of customized products.

THE EXHIBITION

We often participate in exhibitions at home and abroad, harvest a lot of friends, and have been confirmed by many partners.
